

CURRICULUM VITAE

Personal Details

Title: Dr
Name: Mohammed J. Alsaadi
Nationality: Saudi Arabian
Language: Arabic, English
Contact Number:
Mobile +966541001006
(E-mails) m.alsaadi@psau.edu.sa
Mjjalsaadi@gmail.com

Qualifications

- **Doctorate (PhD)** in Vascular Pathophysiology and Diagnostic Ultrasonography from Imperial College London- London-UK.
- **Master's degree (MSc)** in Medical Ultrasound from King's College London-University of London (Pass with Merit)- London-UK.
- **Clinical Attachment Experience Certificate** from University Hospital in Coventry and Warwickshire- Coventry- UK.
- **Bachelor's degree (BSc)** in Applied Medical Science in Radiological Science- King Saud University- Riyadh- KSA.

Professional Memberships

- Society of Vascular Technology of GBI
- International Angiology
- British Medical Ultrasound
- Saudi Society of Medical Radiological Technology
- Society of European Vascular Surgery

Work Experience

- 2018 to now – Associate Professor in Radiology and Medical Imaging- Prince Sattam bin Abdulaziz University
- 2015- 2018 – Four years locum work at the Vascular Diagnostic Studies - Imperil

Healthcare NHS, London).

- (2014- 2015) Academic lecturer at Prince Sattam University in Al-kharj- Saudi Arabia.
- (2011-2014) Three years' work experience at the Ultrasound Department - King Fahad Medical City –Riyadh
- (2009-2011)- Two years' work experience at vascular diagnostic studies - University Hospital in Coventry and Warwickshire-Coventry –UK.
- (2006-2008)- Two years' work experience at ultrasound department in King Fahad Medical City – Riyadh.
- (2001-2006)- 5 years' work experience at the vascular Diagnostic Unite - King Khalid University Hospital.
- (2000-2001)- One-year work at the Ultrasound Department - King Khalid University Hospital.
- (1999-2000) - One-year internship (7 months in Riyadh Medical Complex and 5 months at King Khalid University Hospital).

Current Position

- **Associate Professor in Radiology and Medical Imaging at Prince Sattam University- KSA**.
- **Head of the Ultrasound committee at the Saudi Commission for Health Specialists**
- **Freelance Consultant Medical Ultrasound Scientist.**
- **Freelance Academic Educator in Medical Education and External Evaluator.**

History of Employment

- **Associate Professor in Radiology and Medical Imaging** at Prince Sattam bin Abdul-Aziz University- Al-Kharj from 2023- till present.
- **Assistant Professor in Radiology and Medical Imaging** at Prince Sattam bin Abdul-Aziz University- Al-Kharj from 2019- 2023.
- **Senior Vascular Scientist** (Band 8a), from September 2015- October 2018 at Imperil Healthcare NHS, London-UK.
- **Acting Chairperson of the Technical** Department of Medical Imaging at King Fahad Medical City.

- **Quality officer** at Radiology Department - King Fahad medical City from 1/5/2013 to 25/5/2014.
- **Head of Ultrasound Department** from 5/5/2011 till 25/5/2014 at King Fahad Medical City-KSA.
- **Part-time Sonographer** at Sonographer medical company in UK- between 2010- 2011, covering national Stroke and AAA screening program- UK.
- **Clinical Vascular Scientist** from 12/01/2009 to 20/11/2010 at University Hospital in Coventry and Warwickshire, Coventry- UK.
- **Ultrasound Department Head** from 2/9/2006 to 30-8-2008 at King Fahad Medical City, Riyadh, KSA
- **Vascular US Specialist** 2/8/2001 – 1/9/2006 at the Vascular Diagnostic Unite - King Khalid University Hospital, Riyadh, KSA.
- **Ultrasound Specialist** from 1/8/2000 to 1/8/2001 at Ultrasound Division - King Khalid University Hospital, Riyadh, KSA.

Teaching, Supervision and Research Responsibilities

- Supervising MSc students
- Supervising BSc students
- Organize and manage their research activities
- Deliver Lectures and Tutorials
- Organize written and practical examination
- Present and Purplish research materials
- External Evaluator for Academic Medical Programs (Under and Post graduate programs)

Conference Organizing and Activities

- I organized a workshop in MSK ultrasound, 2021, 2022, 2023 and 2024 in Riyadh and Jeddah.
- I organised several Vascular Ultrasound workshops in 2022,2023 and 2024 in Riyadh.
- I organized a workshop in Vascular Ultrasound in the 2nd Saudi Radiology Technologist Conference 2011.
- I conducted couple of Transcranial Doppler imaging workshops in Jeddah, Makkah and Al-Gunfidah.
- I was a speaker in the 2nd, and 3rd of Saudi Radiology Technologist Conference 2011, 2012.
- I was a member of the scientific committee for the SRTC 2012 and 2013.
- I was the chairman of the Organizing and scientific committee of the physic, instrument of vascular ultrasound specialized course 2014.
- I was organized and speaker of a workshop in Vascular Ultrasound at Jeddah 2019
- I was organized and speaker of a workshop in Vascular and MSK Ultrasound in Riyadh 2021-2022
- I was organized and speaker of a workshop in MSK Ultrasound interventional in Riyadh 2022
- I organized a Radiation safety and protection course 2021 in Riyadh.
- I organized a Diagnostic Radiology review 2021.

Field of interest

- Construction and Development Academic Programs in Applied Medical Sciences.
- National Screening programs and Health Care Development
- Screening Program for Stroke and Abdominal Aortic Aneurysm

- Health Research program.
- National Guidelines
- Cardio-Vascular Pathophysiology
- MSK ultrasound
- General Medical Ultrasonography
- Clinical vascular Diagnosis
- Medical Ultrasound Elastography
- Cross-Sectional Imaging
